# Introduction

Alphabet Garden is a unique colouring book where the worlds of animals and plants beautifully intertwine.

Each enchanting illustration features a charming animal whose name begins with a letter from A to Z, artfully incorporated with complementary garden plants.

From Antelopes amid Azaleas to Zebras nestled in Zinnias, this colouring book offers 30 magical scenes where the animal kingdom meets the garden realm.

Perfect for nature lovers of all ages, this artistic adventure helps children and Adults learn the alphabet while discovering fascinating animals and beautiful botanicals.

The detailed line art provides a calming, creative outlet for all ages while subtly teaching about biodiversity and the interconnectedness of all living things."
