

The background is a white canvas filled with various abstract geometric elements. A large, central diamond shape with a red-to-pink gradient is the focal point. It is surrounded by several sets of concentric circles in red and grey. Scattered throughout are solid circles in black, red, and grey, as well as smaller white circles. Wavy lines in a light purple color are positioned at the top and bottom edges. Small, four-pointed star shapes are scattered near the bottom. The overall aesthetic is modern and minimalist.
