INTRODUCTION

I want to thank you for downloading this e-book. I had a lot of fun writing this book and getting all the golden nuggets that will help you gain insight and advance improve your game in fishing.

I am an author, copywriter, and travel writer and I love to go to different cities and explore the beauty of each one. I love to write what I have experienced and share with others what I have learned.

Here my husband and I went to Alaska, we have been there twice and what a scene.

If you ever get the chance or opportunity to go to Alaska take it. The picture on the cover is of my husband fly fishing on my birthday in a small lake we happen to bump into what was a gorgeous lake what beauty full of God's creation. I was pleased to put him on the cover of the book.

What is fly fishing? For most people, fishing is just fishing. Throw some bait on a line, toss it in the water and wait for a nibble, but for fly fishing lovers, it's so much more. An ancient angling method, fly fishing is a method that was initially developed primarily for catching trout and salmon. Currently, however, it is also used to catch pike, carp, bass, and other species. There is so much to it , Enjoy!
