**“A good Traveler has no fixed plans and is not intent on arriving” –
Lao Tzu.**

Wanderlust – (noun) A strong desire to travel and explore the world.

Desire – (verb) Strongly wish for or want.

Travel – (verb) Make a journey.

Explore - (verb) Travel through (an unfamiliar area) to learn about it.

Right, so now with this A – Z Countries eBook you can **Explore** the 26 countries around the world, **Travel** from A to Z and find the ones you **Desire** to visit (but have no time or money). It is your passport to ignite your imagination and feed your curiosity. You will be filled with **Wanderlust** to explore the world from your lap.

I have travelled to many of the countries I have noted and have lived in 5 countries over the years. I love travelling, meeting new people, learning about their cultures and their languages. But sadly, not flaunted in any. English is my home language, and you can get by with it, as most people know how to speak English.
