SATURN FACTS

Marie Rousseau

+Saturn takes approximately
2.5 years to go through
each sign.

+Saturn Retrogrades
every year for approximately
4.5 months.

+A Saturn Return is
when Saturn returns
to the same Saturn
degree and sign in your
Natal Chart.

+A Saturn Return occurs
approximately every
28 years. Which means
we can have up to 3
Saturn Returns in our
life, maybe even FOUR
if you live to be over
100!
