Introduction

I'm pretty excited about this report because creating a sense of urgency - *buy now!* - is often-forgotten piece of information which usually sets the line between a successful, profit-pulling campaign and a not-so-successful one.

Most people just *don't* have that covered while designing their offers.

So, inside this report you'll find **27 ways to get people off the fence and agreeing to take action.**

Best of all, you can use these methods in sales letters, sales videos, webinars, adverts, direct mail letters, newsletters, forum signature files and even during face-to-face sales situations... They work everywhere!

Now before we jump in, let me offer one piece of advice:

Combine these triggers whenever possible. One trigger is powerful, but when used together they work synergistically to boost sales even further.

Okay, with that said, now let's get to it...

1. Offer Time-Sensitive Bonuses

Just by offering a bonus is a great way to urge people to buy what you're selling. But, when you make the bonus ***time-sensitive***, you just increase the urgency. And that means increased sales!

Examples:

- Order the Dieting Made Easy book within the next 48 hours, and you'll get the Dieting Made Easy cookbook absolutely free!
- Buy this vehicle and you'll get three year's worth of oil changes for free - but hurry, this special offer ends tomorrow!

2. Use Quantity-Limited Bonuses

Instead of putting a deadline on a bonus, you can simply limit the bonus to the first X number of customers who order.

Tip: To make this method even more effective, be sure to tell your prospects how many bonuses are left. You can do this by updating your sales page frequently. Or, if you have an offer that's likely to sell out quickly, then use a script that shows the data in real time.

Examples:

- The next ~~100~~ 77 people who claim their workshop seat will get the recordings absolutely free!
- Be one of the next ~~250~~ 27 people to order now and you'll get a free can of carburetor cleaner!

3. Announce A Bonus Coaching Offer

Yet another type of bonus you can offer is the gift of your time. And one way to do this is by offering free coaching.
