

LARRY LIZARD & FRIENDS

60 Colouring Images For Kids

Hi There _____ I am delighted
that you are now one of my Friends.
We are going to have so much fun together.
My other friends are inside this book
One picture per page and
with backgrounds. You will have hours of fun
colouring each page.
But please remember to give each a new name.
Then they will be your friends too.

Your Friend
Larry Lizard
