Foreword

In this e-book you'll discover the foundations of the manifestation process and the inbuilt power of your mind to produce whatever truth you prefer. You'll dive into the exploration of your awareness and find that it's among the most unbelievable and exciting domains one may inhabit. Welcome to the endless potentiality that's you! Everything in your life is a consequence of what you understand, what you experience and how you interact with your awareness. This is your willingness to explore the unknown.

The more you understand about the unknown the more you really comprehend how little you understand. It makes you modest and brings you back to the domain of wonders, miracles and magic. A domain in which everything is conceivable.

Please study this e-book with a wide-open mind. You don't have to trust everything that's written here – simply explore as a scientist would do. When you hit a passage that's hard to grasp, take a break and ponder it awhile. Let
