Foreword

If you were to apply internet marketing strategies that existed 10 years ago, you would be surprised that most of them are no longer viable or have become ineffective.

Thus, it is highly important that we stay on top of the trends of what works and what doesn't. One of the hottest trending strategies we see nowadays is Social media and one in particular tool – Twitter.

Richard Koch in his great book – The Star Principle says that successful businesses must always be the market leader and must always ride on growing trends.

If you fail to tap into these hot trends, you'll be leaving tons of money on the table. And that's why, the purpose of this report is to help you tap into this amazing phenomenon and grow your business around it.
