

A vibrant space-themed illustration. At the bottom, a white silhouette of a person stands on a layer of white, fluffy clouds, holding up several strings that lead to a blue planet. In the dark blue night sky, there are several yellow stars of different sizes, a large yellow moon with craters, a red planet, and a yellow planet with a ring. More white clouds are scattered throughout the scene. The title 'Drift Away Colouring Book' is written in a large, bold, light blue font across the center.
