- 8 **Have fun!**

CUTOUT SHAPE (COLOURED)

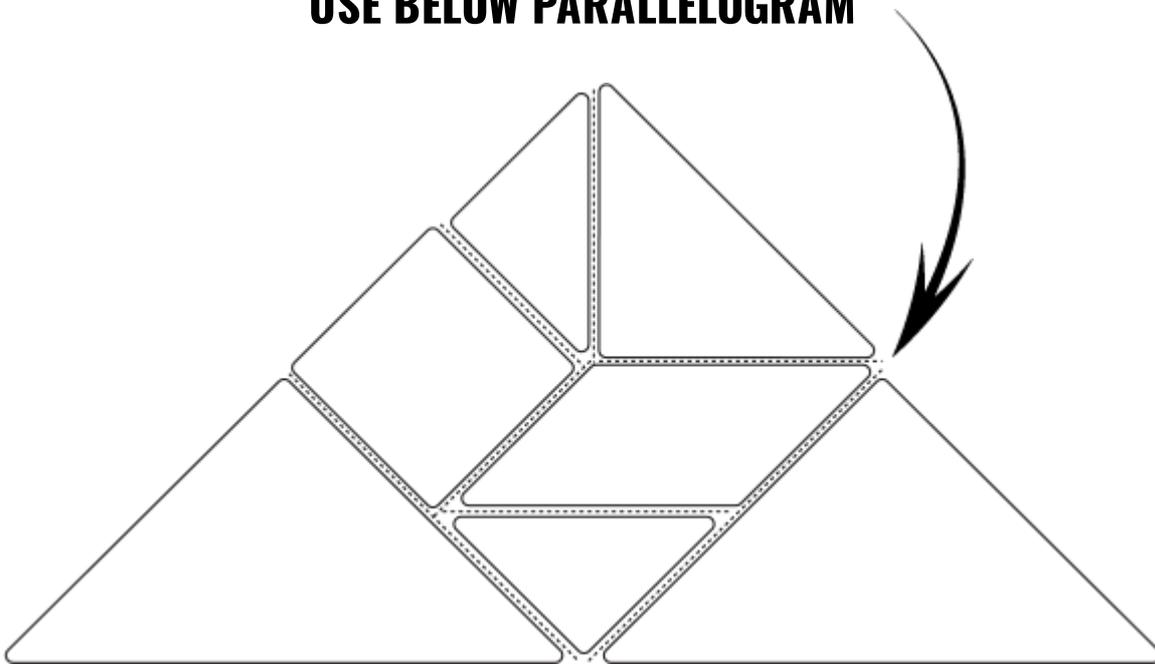

Note: The parallelogram cutout shape is different for the number 2 & 5. Use this shape in your solutions for the number 2 & 5

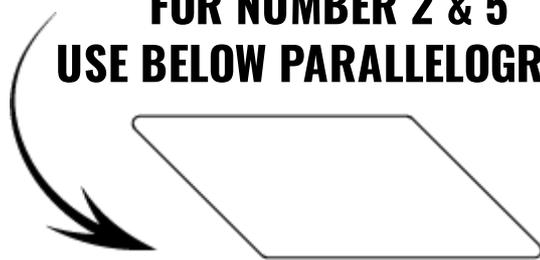

CUTOUT SHAPE (COLOUR-IN)

**FOR NUMBER 0,1,3,4,6,7,8 & 9
USE BELOW PARALLELOGRAM**

**FOR NUMBER 2 & 5
USE BELOW PARALLELOGRAM**

Note: Use these cutouts if you would like to colour-in yourself.

1) Print out this page.

2) Colour-in the individual cutouts with different colours.

3) Do not use the same colour again.

4) Cutout the shapes after colouring-in
