Foreword

Just about every family has a prized recipe, beloved as much for the memories it evokes of family get-togethers or a particular family member, as it is for its taste. Many families have many such recipes, handed down through generations, taught to youngsters, or stashed on index cards or scraps of paper.

A fantastic gift for loved ones and friends, a family recipe book is a fantastic way to combine preferred family dishes with memories of valued family moments and members.

Enjoy these stories and games... some true and some fables and make your own family memories in the kitchen.
