# Foreword

Video games can be a source of hours of entertainment for people who have nothing else to do. You can go on remarkable journeys that take you to new worlds. You can be a hero or a super villain. No matter what your interests are, there is bound to be a game out there that you will enjoy.

Video games have evolved quite a bit in the past decade. Do you remember the older gaming systems such as Atari and Nintendo's? These games were simple in concept and did not have very good graphics. The video game systems that exist these days have absolutely amazing graphic capabilities and offer much better choices of games.

The way games are evolving is likely contributing to the fact that the number of people who play video games keeps increasing. For some people, playing video games is their favorite thing to do. At the same time, their favorite game can become their worst enemy. If you are a gamer you surely understand how this can happen. Sometimes you come across challenges so difficult in games that completing them seems impossible. After hours and hours of attempts you will most likely just give up and not play that game anymore. There is another answer, why not try using some cheats?

If you are interested in learning more about cheat codes and how they can help you with the challenges in your games, this book is perfect for you.
