Unless otherwise noted, scripture quotations are from the HOLY BIBLE, Authorized King James Version.

Introduction

There are many within Christian churches that are absolutely convinced that the enemy is incapable of doing anything. In fact, many believe that he has no power and is described as being toothless. The Bible speaks very candidly about various spirit beings that are identified in the Scripture. Our Lord Jesus Christ speaks about this to his disciples in the Gospel of Luke.

Luke 10:20 Notwithstanding in this rejoice not, that the spirits are subject unto you; but rather rejoice, because your names are written in heaven.

The above verse speaks about the reality of spirit beings that are still operating in our day. These kinds of spiritual beings are very active in an attempt to hinder or stop the people of God from moving forward in the spirit and natural realms. Recently, while on a ministry trip in Florida, the Holy Spirit began to reveal to me some rather unique insights from the Word of God. As I was studying, the Spirit of the Lord spoke to me about a spiritual being known in the Scripture as the deaf and dumb spirit. A verse that was highlighted to me concerning this spirit is below.

Mark 9:25 When Jesus saw that the people came running together, he rebuked the foul spirit, saying unto him, Thou dumb and deaf spirit, I charge thee, come out of him, and enter no more into him.

It is imperative to notice that Jesus speaks of this spiritual entity while His disciples are present. Later on in this writing, I will give additional revelation of what this spirit being attempts to do with people and churches all over the world. At this point, all I want to do is establish from the Scripture that this spirit is real. If we believe all Scripture is God-breathed, then we must take note of what Jesus says in the above verse as well as all the other verses that will be cited in this booklet.

There are many other passages that speak about this deaf and dumb spirit. As we go through the Old and New Testaments, open your heart and allow the Spirit of God to speak to you in a fresh way. This spiritual being is influencing people and churches all across America and over seas. Some of these individuals and churches do not even realize that this spirit is affecting them. It is our responsibility to sound the alarm and warn the people of this influence. As prophets and watchmen, we must warn the people and the churches lest their blood be upon our hands.

It is my prayer that God will open your mind and heart to the teachings that are contained within this booklet. May the Lord reveal the strategies of the enemy as you read the revelation in this manuscript. God does not want His people to be ignorant concerning the various devices of the enemy. In fact, God wants us to know the trickery of the enemy. Otherwise, we can become deceived if we are not extremely careful.

As you read this booklet, you may be presented with some insights to which you have not given much thought. I was, too, when the Spirit began to reveal them to me. Open your heart and allow the Lord to speak to you about the deaf and dumb spirit. It is definitely a force that must be dealt with now and in the coming days. We must hear what the Spirit is currently saying to the churches.
