INTRODUCTION

"A wife of noble character who can find?
She is worth far more than rubies. Her
husband has full confidence in her and
lacks nothing of value. She brings him
good, not harm, all the days of her life."

PROVERBS 31:10-12

The original verse said virtuous woman and of course, a noble or virtuous woman is a woman of high moral character. Her principles and values guide her relationships. I truly wish I would have known about this woman sooner. Why you might ask? Because this woman represented everything I knew the ultimate woman should be. She was the version of myself that I was unknowingly trying to build since I was a teenager.

She is a woman of Faith who is successful yet still fully present for her family and community. She has Respect, Balance, Support, and Resources. She has, does, and is exactly what every successful female entrepreneur must be. In this short enhanced Ebook, which is a 2-in-1 Planner, and Workbook we will take you through the book of Proverbs to discover the Principles & Values that will transform our Heart, Mind, Family, and Finances in a way that leads to Peace and Fulfillment Mentally, Spiritually, and Physically.

We will explore what God expects of our character and what business he is calling you to. Through the reflective exercises and your participation in our exclusive group, you will by the end of this journey be clear on who you are and what you want to bring to This World by God's Grace.

PROVERBIAL POWER

Where Purpose Meets Prosperity

"BELOVED, I WISH ABOVE ALL THINGS THAT
THOU MAYEST PROSPER AND BE IN HEALTH,
EVEN AS THY SOUL PROSPERETH."
3 JOHN 2

TIMELESS WISDOM

We are focusing this Bible study on the Book of Proverbs not only because of the beautiful example the Proverbs 31 Woman provides to women of Faith but also because of its practical wisdom and guidance. Proverbs is known for its short instruction for living an effective life on Earth; it contains no stories or theology, as many other Old Testament books do. It simply States wisdom for all to enjoy and use. Two strong principles emphasized in Proverbs include listening to those who have gone before us, such as our parents, teachers, and older people in general. The other principal is having humility. We are encouraged not to speak rashly or without seeing the consequences of our acting arrogant.

Proverbs is also called The Book of wisdom and searched for today more than ever for its wisdom and guidance in all sorts of dealings. Like Psalms Proverbs was written for all eras to enjoy and was meant to be timeless. Written by Solomon around 970 BC to 675 BC with other contributors.

REFLECTING ON THE PROVERBS 31 WOMAN

"She watches over the affairs of her household
and does not eat the bread of idleness.
Her children arise and call her blessed;
her husband also, and he praises her:"

PROVERBS 31:27-28

We will begin our Bible study with Proverbs 31 but before we begin I would like to highlight the characteristics that make the proverbial woman awesome, and dig deeper into stepping out on faith for your new business. Through reflecting on the proverbial woman and the wisdom inspired by the WORD of GOD we will discover the vision GOD has planted in your HEART.

She is faithful.

Proverbs 31:10-12 tells us:

A virtuous woman / wife is not easy to find. She is worth more than jewels. Her heart is with her husband and he can trust her because he has nothing to lose. She does him good all the days of her life.

Oxford Languages defines Faithful as remaining loyal and steadfast. It is the fact or quality of being true to one's word or commitments, trustworthy.

She is committed first to God which is why we are digging into the Bible's best chapter for the wisdom of daily living. She is committed to her husband and their family which is why they can trust her to provide safely for their needs. She is committed to the teachings of Christ so she takes care of her community. She is committed to gaining the knowledge and resources she needs so they can live well.
