Love Spells

A Look At The Voodoo Of Love

Chapter 1:

Introduction

Synopsis

Love is undoubtedly one of the best feelings that a person can ever experience in his or her life. This strong emotion can uplift a tired soul, and give joy and hope even to those who are already starting to lose faith in themselves. It is that wonderful feeling that puts you in Cloud 9 and makes you want to start dreaming of things, like forever and happy ever after. Love is that thing that you read in fairy tales and wish that it will also happen in your own life. It is about finding your Prince Charming or Miss Right and spending the whole eternity with that one person who has touched your heart. Love is the very thing that makes the world go round and makes the whole ride a lot more fun and enjoyable. And for some, love is simply that magical feeling that takes you to an entirely different realm where only you and your special someone exists.

Unfortunately, not all of us have been lucky enough as far as love is concerned, and this is the very reason why love spells exist.

Love Spells – An Overview

Love spells are actually the magical formulas that have been specially designed in order to find, draw, bind, attract, or even induce love. These spells are entirely different from sex magic, or spelled as “magick.” The love spells in particular are aimed to procuring or producing love, while sex magic, on the other hand, makes use of sexual emotions and love at times in order to bring about that desired results that can or cannot be associated to love in any way. For instance, Tantric magick aims to accomplish the union with a god and is related to the enlightenment state. Meanwhile, love spells are more concerned in making a person fall in or out of love with another person.

Sorts of Love Spells

There are actually no sorts of love spells. Just like the usual spells, the love spells can also range from those simple incantations up to the complicated magical rituals. Love spells can range from something like a prayer to that heartfelt wish. Also, love spells can be talismans, amulets, sigils, voodoo dolls, mojos, fetishes, wangas, powders, potions, and philters. In fact, love spells can take just about any form that you can think of.

Purpose of Love Spells

You can use love spells for different purposes, such as:
