# A Guide to Using the Stories in the Open Bible Stories

## The Reason For The Stories

The stories in the OBS tell about things that happened in the Bible. However, the stories are shorter than the Bible accounts, and the language is often easier to understand. The stories can help people learn about who God is and about what he has done. Also, each paragraph of a story has an image that can help people understand what happened in Bible times when clothing, houses, and culture were very different than they are today.

## How to Use The Stories

- **Choose a story to read.** The stories will be easier to understand if you read the stories in order, beginning with the first story
- **Read the story.** In a group, one person may read the story aloud, or the people may take turns reading portions.
- **Look at the images.** Use the images to help you understand what happened in the time of the story. Try to identify the people in the images.
- **Refer to the Notes.** Read the study notes whenever there is a word or something else that you do not understand in the story.
- **Discuss the Questions.** Read each question and think about the answer. The first set of questions help you see what the story says. The next set of questions help you think about what the story means to you. If you are in a group, allow different people to offer answers to the questions. Look at the answer to each question and see how it is the same as your answer, or different from it.
- **Read the Summary.** Read the story summary at the end of the questions. Think about what you have learned about God in the story. If you are in a group, ask the group what they have learned from the story.

## Slide 1

Jesus told many other **stories** about the kingdom of God. For example, he said, "The kingdom of God is like **a mustard seed** that someone planted in his field. you know that the mustard seed is **the smallest seed of all.**"

**stories** - Jesus used these stories to teach truths about God's kingdom. It is not clear if the events actually happened or not.

**a mustard seed** - This probably refers to the seed of the black mustard plant, which has tiny seeds that rapidly grow into very large plants.

**the smallest seed of all** - That means the smallest of all the seeds that people planted at that time.

## Slide 2

"But when the mustard seed grows, it becomes the largest of all of the garden plants, big enough that even the birds come and rest in its branches."
