*“Many people call me Pastor Cyrus. I am not a Pastor. I want to be a Missionary to be used by God to build Churches and help young people to work for Jesus Christ...I am just 19 Years old, and very soon I will be 20.”*

Founder and Organizer of The House of Hope Teams - Liberia

This book is dedicated to all the unsung, unpraised heroes of our faith, and heroes of history in our modern-day. Our Heavenly Father knows and sees your labor of love, and your labor is not in vain. Our world is full of such heroes, and every so often we need to be reminded of that. The world needs us, we need each other, and we are all in this together.

# INTRODUCTION

*Cliff Simon*

**P**rior to me helping with the publication of this book, like many of us living in the Western world, I knew very little about the African country Liberia. In fact, the little that I did know, is more than likely what would come to most people's minds when they hear the name - 'Liberia.' The notorious outbreak of malaria several years ago, the back-to-back civil wars, or maybe just the poverty. From an international concern perspective, that awareness does serve a needed purpose, no question. However, there is an amazing light that is shining bright from within the nation. A light that may be small in the midst of many challenges, and even much darkness, but oh is it so unspeakably bright, beautiful, and glorious! A light that needs to be made known, a light that needs to be supported, and a light that the world at large needs to hear about. Hence the motivation for putting this book together you have before you.

Today, it's all about bringing a different kind of awareness to you, of what is going on in Liberia. Good news! A powerful move of the Spirit of God going on right now, and the key role groups of young people are playing in making it happen. Young people rising up sharing the Gospel of Jesus Christ and their testimonies, to a broken and deeply hurt nation. The ministry is made up of young leaders, on fire and sold out for God and for the Gospel, and ranges from 18 to 24 years old. Their ministry - The House of Hope Liberia. (see figure 1)
