SETTING UP YOUR BUSINESS

Congratulations on getting your corporation, you have taken a GREAT first step. The next steps provided below are crucial to setting up your Corporation/LLC correctly and providing maximum benefits and preparing to obtain funding from lending institutions.

Once you have finished these steps, and are ready to get funding for your entity, we can help you with this. You can contact us by sending an email to sca@silvercreekadvisors.us

If you have any issues completing any area of setup you can reach out to our support team at <https://getsupport.solutions>

NOTE

Initially when getting business credit, a personal guarantee may be required. For this reason; you need to make sure that your personal credit is at least a 680, if it is not you can contact our customer service department at <https://getsupport.solution> to speak with them about our Do-it-Yourself (DIY) – Banking packet which provides instructions on things you can do to help increase your credit score.

PERSONAL USE:

Please note that this guide is for personal use only and cannot be reproduced, resold, or distributed without explicit permission.

DISCLAIMER:

The information provided below is not meant as financial, tax, or legal advice, but just best practices as we know them to be from our experience. We advise you to seek out your own legal, and financial experts for your own peace of mind. Results may vary depending on your efforts.

Affiliate Disclaimer:

This guide may contain affiliate links, which means that if you choose to make a purchase or engage in certain activities through those links, I may earn a commission. This comes at no additional cost to you.

I only recommend products, services, and resources that I believe will provide value and benefit to you in recession-proofing your business. However, please note that I cannot guarantee the outcomes or results from implementing these strategies or utilizing the recommended products.

It is important to conduct your own due diligence and carefully assess the suitability and relevance of any products, services, or resources mentioned in this guide to your specific business needs. Your decisions and actions based on the information provided in this guide are solely your responsibility.

I greatly appreciate your support through your use of affiliate links, as it helps me continue to create and provide valuable content. If you have any questions or concerns regarding this affiliate disclaimer, please feel free to reach out.

Thank you for your understanding and trust as you navigate the recession-proofing strategies outlined in this guide.
