AI is taking the world by storm, and everyone is clamoring to get a piece of it.

It was recently announced that ChatGPT was the fastest app in history to reach 100 million users. It took Instagram over 2 years, and TikTok 9 months to reach that milestone.

The reason it is growing so rapidly, is because entrepreneurs and businesses around the world want to harness this technology to get more done and make more money... while doing less work! Sounds great, right?

The problem is, there is a lot of misinformation about it, and there are currently hundreds of millions of people trying to FIGURE OUT HOW TO USE IT. So...

**We've created a masterclass teaching internet marketer how to use ChatGPT to increase their productivity and make more money online.**
