VINTAGE CARS

Adult Coloring Book

62 Classic Cars from 1905 to 1961 - Both Foreign and Domestic.

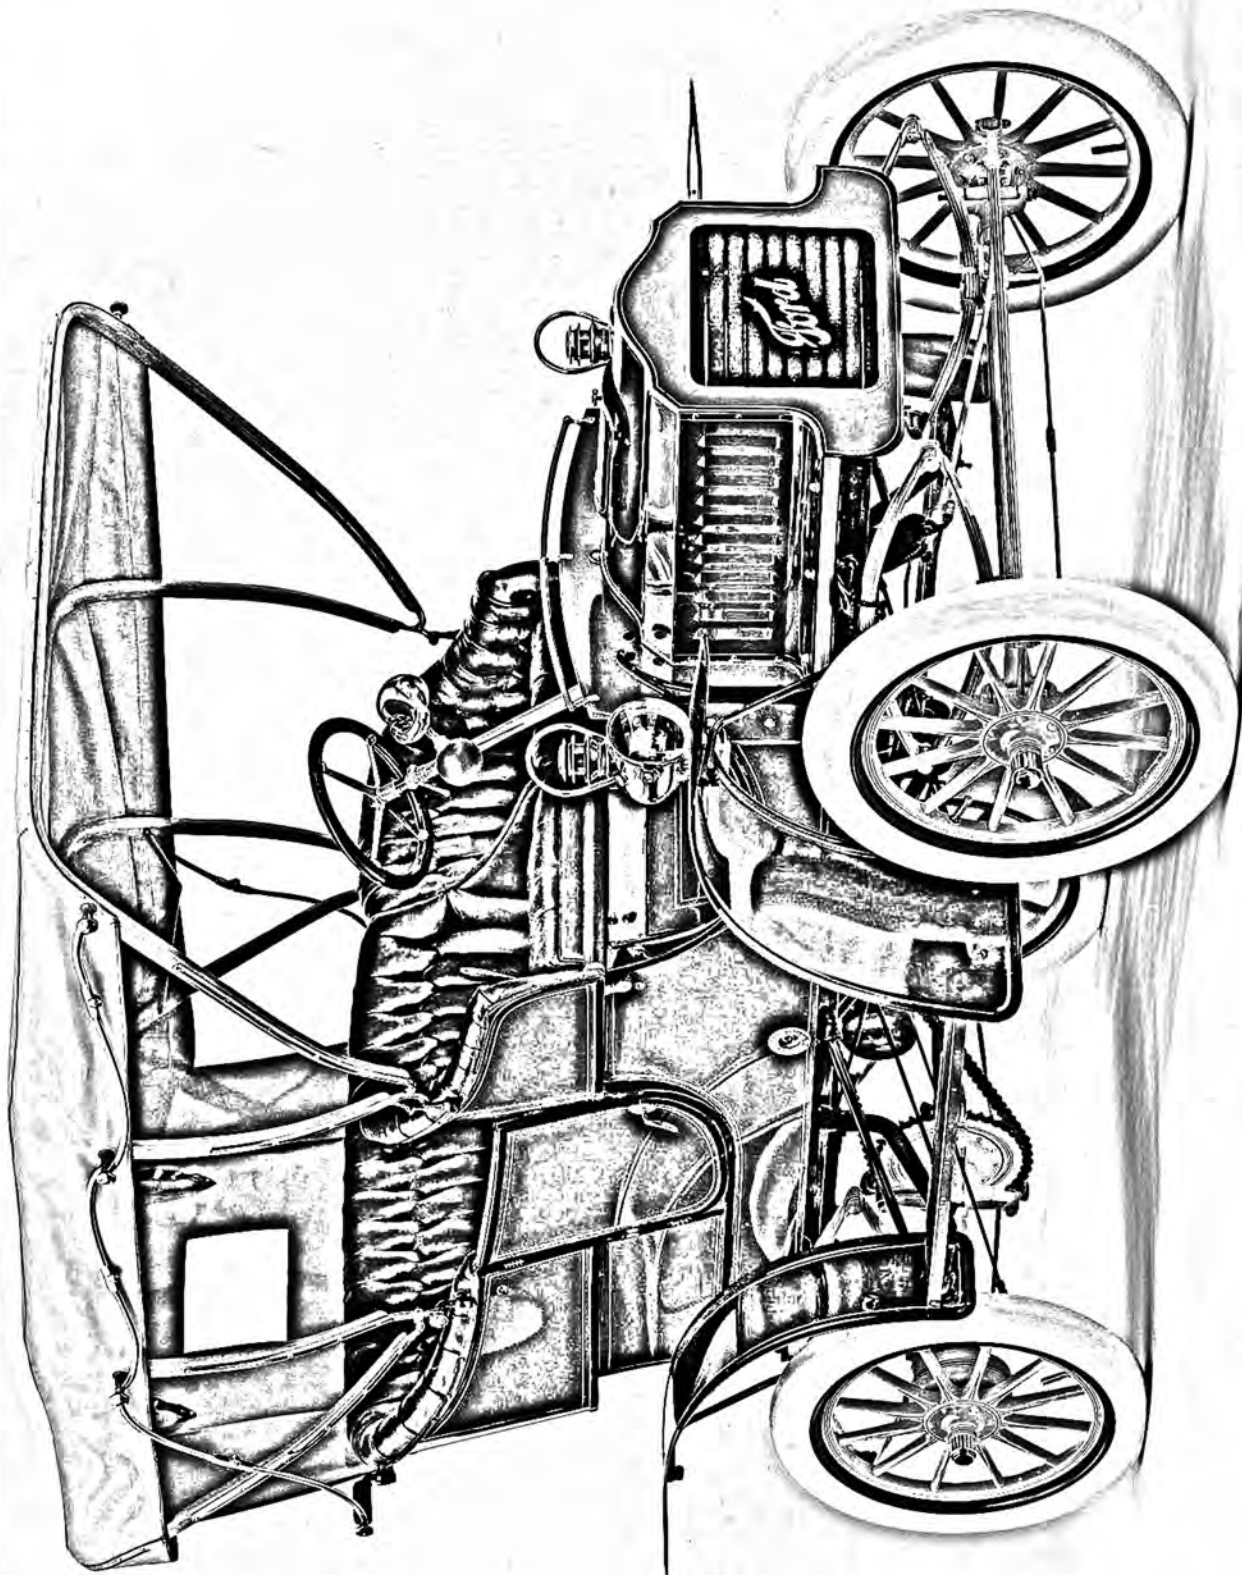

The following pages contain some excellent images of vintage cars that hopefully you will enjoy coloring. They can be cut out page by page to color to your heart's content with crayons, markers or even using watercolor paints, if you prefer.

Each image has a blank page on the back. If you decide to color them intact in the book, it is suggested you use a empty page, plastic sheet or something to protect the pages beneath from bleed through... from the one you are coloring. ENJOY!
